

Family Learning

in the Dudley Borough

Get on board to find out how you and your family can learn together in a fun and enjoyable way

Leading learning and skills

Family Learning helps parents and carers to understand what their children are learning and how best to support them.

Did you leave school without GCSE A to C in English or Maths? If you did then Family Learning is a great opportunity for you to catch up on these skills and gain a qualification.

Why Family Learning?

It's fun - it's free

It's a chance to -

- help your child get ready for nursery or school (primary or secondary)
- support your child's learning
- help your child with homework
- learn new skills for yourself
- meet and make new friends
- spend quality time with your child

There are many opportunities for parents and carers to learn together with their children.

part of the **LEARNING REVOLUTION**

Workshops, courses and other learning opportunities are available at neighbourhood learning centres, libraries and other community venues across the borough.

Programmes offered in Dudley include -

- healthy families
- creative families - art & craft, music, dance, nail art, storiesacks
- family ICT
- family fun with science and technology
- safe families
- enviro-wise families
- learning together - supporting your child at nursery or school
- quality-time with dads
- senior moments - grandparents and grandchildren
